

OCT 6 - 8, 2021 CEO HEALTHCARE ROUNDTABLE FALL MEETING

The Gwen Hotel | **THERE'S STILL TIME TO REGISTER!**

521 N. Rush Street, Chicago, IL 60611

We are pleased to announce that we have engaged several expert speakers for our upcoming meeting in Chicago. Over the past months we have heard from several of our members about the challenges of the COVID pandemic, shrinking revenues, increased competition, and government and payer pressures. Our members are now struggling with a series of additional unexpected challenges in the form of workforce issues, staffing shortages, recruitment challenges, balancing work-from-home preferences with return-to-office expectations, and the financial impact of the agency labor, especially related to nurse staffing.

Please join us and our industry expert presenters as they discuss their research, experience and ideas that can assist attendees with addressing these challenges in ways that create high performing organizations and organizational cultures.

"What's Next? Addressing Growing Workforce Issues and Changing Expectations While Managing Individual and Organizational Burn-Out"

Wed, October 6 – 3pm – 5:45pm
Thurs, October 7 – 8am – 4pm
Friday, October 8 – 8am – 10:30am
